On the day of steer selection, exhibitors will select their steer based upon a random order. Exhibitors may select up to two (2) steers based upon the availability of animals. If the exhibitor chooses to select two (2) steers, the second steer may only be chosen after all other exhibitors have chosen their first steer. All calves will be ear tagged with corresponding numbers and tattooed on the selection day. The sale of the animals will be between the producer and the exhibitor. All sales are final and payment is due on the day of selection. Immediate family members (children and grandchildren) of the approved commercial producer will be offered first choice of steer selection from the producer's group of steers, present on selection day. The selection must be made on the official selection day and must be of similar type/quality steers. The selection day will serve as the official weigh-in for the commercial steers.

Mandatory Weigh-in Dates and Weight Requirements: All market steers entered in the open show will be weighed in, ear tagged with corresponding numbers at the initial weigh-in on **Saturday, July 26, 2014**. Market steers should weigh a minimum of 550 lbs.(550 lbs. or more) at the initial weigh-in on July 26, 2014. This is a suggested weight, however, there is no minimum weight at the initial weigh-in. Weigh-in will be from 6:00 A.M. until 9:00 A.M. on Saturday, July 26, 2014. All market steers entered into the open show will be weighed in at the Agricultural Center in Bartow. **Market steers must weigh a minimum of 1,000 pounds(1,000 pounds or more) at the final weigh-in on January 28, 2015.**

Official Reweighs: At the sole discretion of fair management, one or more animals may be reweighed after the final weigh-in in January, 2015. A market steer's show and sale weight shall be the most recent official weight as determined by fair management.

Bull Calves: **No bull calves will be accepted at the July 26, 2014 weigh-in.** The neutering process must be sufficiently healed before the weigh-in. We recommend the neutering be done as early as possible.

Animal Identification: As a condition for participation in the Polk County Youth Fair Market Steer Show and Sale, exhibitor hereby agrees to submit to unique animal identification of any and all animals entered by exhibitor for purposes of identification. The Polk County Youth Fair requires that the animal exhibited at the Polk County Youth Fair be the same as the animal entered at the initial weigh-in on July 26, 2014. If the animal's identity is found to differ from initial weigh-in exhibitor will forfeit any prize money and/or sale proceeds, any add-ons and may forfeit all rights and privileges to exhibit in the future at the Polk County Youth Fair. An identification tag fee in the amount of \$10.00 per animal entered will need to be submitted with entry form. The Polk County Youth Fair office must be notified within forty-eight(48) hours of a hanging tag or electronic tag that is lost, missing, or is no longer attached to the steer. Failure to notify the Youth Fair office within forty eight (48) hours will result in disqualification from the fair.

Owner Responsibility: It is the responsibility of the owner to verify ear tag and unique individual identification match from the initial weigh-in in July, 2014. At time of sale, halter will be supplied for each steer. This halter is the property of the Fair and must remain with the market steer after the sale. Failure to comply with this regulation will result in a \$10.00 service fee assessed to the exhibitor. Market steers must be double tied with a halter lead and neck rope, each tied to a separate ring.

Tag Removal: Exhibitors removing ear tag from market steer after sale will be charged a fee of \$100.00 to be deducted from sale check. This rule will be strictly enforced.

Certified Age Certificate and/or Mouthing

No market steer will be accepted whose known age is more than 24 months. A signed statement from the breeder certifying age will be accepted. The management reserves the right to determine age by mouthing in cases where the physiological age differs

greatly from the certified chronological age.

Animal Handling: At final weigh-in market steers must be handled by exhibitor only from scale to tie space. Any exhibitor who cannot handle their steer at final weigh-in will have until 3:00 p.m., Wednesday, January 28, 2015 to demonstrate handling requirement or be disqualified at that time. During the 2015 Market Steer Show any market steers deemed a safety hazard will be removed from the show and receive a no award and will be sold at the end of the sale. Any market steers removed from the show by the market steer committee after being judged will also be sold at the end of the sale.

Grooming and Clipping: Only exhibitors may groom or clip their steer on fairgrounds. If assistance is needed with grooming and/or clipping, prior approval must be obtained from a Steer Committee member. Failure to follow this rule will result in disqualification from the fair.

Carcass Ultrasound: A carcass ultrasound, held in conjunction with the Polk County Youth Fair, emphasizes the end product of the beef industry and provides a valuable educational compliment to the Steer Show. A comprehensive report is prepared following the judging of the carcass qualities using ultrasound. The ultrasound report measurements will include FOE (fat over the ribeye at the 13th rib), ribeye area, and marbling score, which is a measurement of intramuscular-fat. These measurements will be used to calculate yield grade and estimate carcass quality. All steers accepted at the final weigh-in for the Polk County Youth Fair Steer Show and Sale will be measured for the carcass ultrasound. **A carcass ultrasound fee in the amount of \$10.00 per animal entered must be submitted with entry form. The carcass ultrasound fee is not optional.**

Show Classes: Market steers will be placed in classes based on weight regardless of age. The management reserves the right to determine the number and size of classes to insure the maximum efficiency in conducting the show.

Sale: Order of sale will be set by Fair Management. Market price will be established by packer bids.

All exhibitors are required to sign a "Polk County Youth Fair Market Steer Ethics Policy and Statement of Understanding" and must be turned in with entry form March 31, 2014(for commercial steer exhibitors) or July 11, 2014(for open steer exhibitors). This ethics policy must be signed by the exhibitor, parent/guardian and teacher or 4-H leader. Exhibitors, parent/guardian, teacher or leader must be present at the weigh-in.
